VISION

“To provide access to information to its users in a technology enabled environment and to become a significant learning resource center with updated Knowledge Resources in engineering domain”

MISSION

M1: To Provide access to high quality information resources in all formats.

M2: To support teaching, learning and research mission of institute.

M3: To provide Library Services with excellence and offer innovative library services.

OBJECTIVES

- To establish and maintain an effective relationship with the students, faculty, researchers and staff of the Institute to ensure an informed and integrated approach to the creation and delivery of information services.
- To select, collect, organize, preserve, manage and provide access to information sources in print, non-print and digital forms, regardless of physical location, to support scholarly pursuit, learning, teaching and research in the Institute.
- To facilitate and promote access to the fast growing and expanding collection of digital sources of primary and secondary information.
- To develop and provide quality collections/resources, user facilities and library staff, to maintain an environment conducive to study and research.
- To manage the information resources effectively and actively promote the optimum usage.
- To serve as Learning Resource Centre for knowledge management development in the area of Engineering.
- To update knowledge resources as per requirement of users.
- To serve as a community Resource Centre.

LIBRARY AT A GLANCE

Library plays a very important role in an educational institute. Datta Meghe College of Engineering, Airoli has a well-resourced, maintained Central Library on its First floor. Library resources are updated time to time as per requirements.

Library has collection of 46759 books including 19700 titles .Collection is rich with reference books specially encyclopedia, dictionaries, Hand Books, annuals. E journals database, Membership to DELNET, NDLI is provided by central library.

ABOUT LIBRARY MANAGEMENT SYSTEM (ILMS)

The main aim DMCE Central Library is to provide access to proper information, to the right users in the shortest time possible. The institution has an automated Central Library. The Central Library is auto managed by AutoLib NG Library Management Software It considerably enhances the reference, borrowing, return of books very easy for the users. It saves a lot of time and energy for the library as well as the users. The AutoLib software updates records, ensures dynamic reporting. This facility improves circulation, user entry, Book search

Library Resources

Library has a good collection of 46759 books .Library has subscription to e journals database `ScienceDirect` and DELNET Library consortium.

Open Access resources are provided through library website.

The Central Library facilitates remote access of library resources using Internet and Intranet to students and faculty.

The institution Central library has 10 computer systems for access of e resources.

Library Website

DMCE Library has created library website for giving access to various library services.

<https://sites.google.com/site/dmcecentrallibrary/>

LIBRARY SERVICES AND FACILITIES

- Partially Atomization.
- Online Public Access Catalogue (OPAC)
- Reference services
- Bar-coded User Entry System
- CCTV surveillance system.
- Internet with Wi- Fi
- QR code Application
- Services through website

FEATURES OF SOFTWARE

- Member Management (Students and Staff)
- Circulation
- Book Stock master
- Periodical/Magazine and Journals maintenance
- Reservation Management
- Overdue Charge management
- Reports production
- User rights management to apply security in library activity by librarian

BOOKS CIRCULATION

DMCE has a good Book Collection of text books and reference books including dictionaries, Encyclopedia, Handbooks, manuals. Total collection is 46700 books having 19700 titles. A yearly addition as per staff and syllabus requirements occurs regularly .Book Bank Scheme is available for category students.

DIGITAL LIBRARY

The Digital Library has a separate place exclusively devoted for digital use. 10 terminals with head phones and mikes are available in the Digital Library section with Internet access facility to access the e-books (Open Access), e journals database Science Direct, NDLI DELNET, NPTEL and many more online resources.

The collection consists of

- 439 e journals titles subscribed database Science Direct
- DELNET Resources
- Open Access e-books,
- Question paper bank/Syllabus
- NDLI/SWAYAM /NPTEL
- OPEN Access resources suggested through library website.

FUTURE PLAN OF THE LIBRARY

- To Create library Repository
- To Activate library Web –OPAC
- To increase the scope of CAS & SDI services.
- To extend Internet based services.
- To improve the digital library facility.
- Library Server for ICT Services .
